

LIVING WITH VOCATION

God has given each of us gifts and talents and has called each of us to serve in different ways as part of the body. I am asking you to prayerfully seek the Lord as to what your part in the life of the body of Christ at St George's. 1 Corinthians 12:1-11 and Romans 12 show the importance of all of us serving as part of the body. We all need each other and we all play a role in strengthening each other. When offering ourselves and our gifts and talents for God we always must do so in love (1 Corinthians 13:1-3).

The purpose of this questionnaire is to assist you in reflecting on your own gifts and how you may use them to serve in the life of our church.

All information will be treated as confidential.
