

A simple way to manage your giving

It costs about **100,000 euros a year**
to run St. George's Church

Where does the money come from?

Only from the congregation! We have no other source of income.

REGULAR GIVING BASE

74% of the funding of St George's comes from about 35 families who contribute regularly and automatically through their bank accounts or the envelope system.

COLLECTIONS

14% of the funding comes from money that is collected in cash in the plate on a Sunday.

THE BALANCE

8% comes from special events.
4% comes from fees for officiating at events such as weddings and funerals.

How do we spend it?

At the moment we spend all we receive on essential matters.
We don't have anything in reserve or for emergencies.

4%

YOUTH

4% of our expenditure is directly on youth work.

15%

OUR BUILDING

15% of our expenditure is on the building – including maintenance and utilities.

18%

BEYOND THE CHAPLAINCY

We give away 10% of our income to charities and missions.
We give 8% for the wider work of the Diocese in Europe.

19%

ADMINISTRATION

19% of the expenditure is on the running of the church.

44%

CHAPLAIN MINISTRY

Stipend (24%)
Pension contributions,
Spanish tax and locums (20%)

What more could we do if we had more funding?

- Extend the ministry at St George's.
- Look after our church and gardens better.
- Build a contingency fund for emergencies.

FOR MORE INFORMATION ABOUT ANYTHING ON THIS BROCHURE, PLEASE DO SPEAK TO ONE OF THE CHURCHWARDENS AT CHURCH OR VIA THE CHURCH OFFICE.

How could we increase funding?

If **every regular giver** (standing orders and numbered envelopes) could give **10% more**, that could add **9,000 euros a year**.

If **5 families who attend regularly** could become regular givers (set up a standing order or use numbered envelopes), that could add **10,000 euros a year**.

How can you become a regular giver? It's easy!
