Updated: 10 February 2021

Here is a summary of the parking options for those who drive to events or activities at St George's Church Barcelona.

With few exceptions\* there is NO FREE parking in the whole Sant Gervasi area below the Ronda de Dalt. However, scooters or motorcycles can park in marked spots on the streets.

BLUE zones are for paid parking. The cost is €3.00 per hour, up to 2 hours at a time. Pay at the nearest parking ticket machine on the street. You needn't display a ticket, since you enter your license plate (registration) number into the machine.

\*On the weekend, and weekdays after 8pm, the BLUE and GREEN zones are FREE.
