

## Music at St George's Barcelona

*St George's is a multicultural church where our members come from many different backgrounds. We join together to meet with God and spend time with Him.*

### MUSIC ON SUNDAYS

The music at our **main 11 am service**, which is a mixture of modern and traditional, is led by a group which includes piano, singers, and occasionally other instruments. Our congregation enjoys singing and at our 11 am services the sanctuary rings with the sound of many joyful voices.

### THE ST GEORGE'S SINGERS

This small chamber choir was founded in 2017 by a core of musicians who love traditional Anglican church music and wanted to bring it to St George's.

We sing repertoire from a wide range of composers at **Evensong Services** approximately once a quarter, starting rehearsals a month or so before the service. Membership is by audition. You can see videos of some of our performances and rehearsals on the St George's Facebook and YouTube pages.

### MUSIC AT OTHER EVENTS

Every year we have a **Carol Service**, which is modelled on the Nine Lessons and Carols service from King's College, Cambridge. It is one of our most popular services of the year. The music is provided by an all-comers choir which everyone is welcome to join as long as they can come to practices and enjoy singing.

The children also have a special **Christmas Service**.

Other musical activities include **playing and singing for weddings, playing for memorial services**, participating in church social activities such as theme evenings or Carol Singing round the church premises during the **Christmas Fair**. Every year we get together with the Catholic Church on Plaza Bonanova to prepare an ecumenical service in Catalán and English.
